

PE and Sport Premium Report 2025-2026

PE and Sport Premium Funding Allocation

Lockerley CE Primary School received **£16,590** in PE and Sport Premium funding for the academic year 2025-2026.

The funding has been used to increase participation in physical activity, improve the quality of physical education, enhance staff expertise, broaden sporting opportunities, and support both physical and mental wellbeing through active lifestyles.

How We Spent the Funding

Area of Expenditure	Cost
Additional physical activity provision (1 hour physical activity programme)	£4,462
Sports resources and equipment	£500
Cluster Sports Partnership contribution	£831
Integr8 sports and physical activity provision	£1,800
Minibus hire for sporting events and competitions	£1,003
Outdoor equipment enhancement	£210
Sand for outdoor physical play provision	£44
Activ8Minds CPD and staff training	£2,400
Outdoor learning resources and equipment to promote year-round physical activity and mental wellbeing	£5,340
Total Expenditure	£16,590.50

Impact of Spending

The funding has enabled the school to:

Increase Physical Activity Levels

- Provide additional opportunities for daily physical activity
- Improve access to active play and outdoor learning
- Encourage healthy lifestyles and positive attitudes towards physical activity

Improve the Quality of PE Teaching

- Provide professional development through Activ8Minds training and support
- Increase staff confidence and subject knowledge
- Enhance the quality of PE lessons across the school

Broaden Sporting Opportunities

- Maintain participation in local cluster sporting events
- Provide transport enabling pupils to access competitions and festivals
- Increase opportunities for children to participate in a wider range of physical activities

Support Physical and Mental Wellbeing

- Invest in outdoor learning and active wellbeing resources
- Improve access to outdoor environments which promote movement, resilience and emotional wellbeing
- Ensure pupils can remain physically active throughout the year

Ensure Sustainable Improvements

- Investment in durable resources and equipment will continue to benefit future cohorts of pupils
- Staff training has improved long-term teaching capacity within the school
- Enhanced outdoor provision supports ongoing participation in physical activity beyond the funding period

Swimming and Water Safety Outcomes

The following information relates to our Year 6 cohort at the end of the academic year 2025-2026.

Measure	Result
Pupils able to swim competently, confidently and proficiently over 25 metres	80% (12 of 15 pupils)
Pupils able to use a range of strokes effectively	87% (13 of 15 pupils)
Pupils able to perform safe self-rescue in different water-based situations	100% (15 of 15 pupils)

Use of PE and Sport Premium for Swimming

No Year 6 pupils required top-up swimming provision during the 2025-2026 academic year and therefore **£0 was spent on additional swimming lessons or aquatic opportunities during that year.**

To support future cohorts, top-up swimming lessons will be provided during 2026-2027 for a small number of pupils who require additional support in reaching the expected swimming standard, including pupils who were either below the standard at the end of Year 6 or joined the school after the swimming programme had commenced.

Future Priorities

During 2026-2027 the school will continue to:

- Increase opportunities for daily physical activity
- Develop active outdoor learning provision
- Support pupils' physical and mental wellbeing through active play and outdoor experiences
- Increase participation in competitive and inclusive sport
- Ensure all pupils leave primary school able to swim safely and confidently wherever possible
