3. SUGGESTIONS FOR THE YEAR

There were no suggestions for a project this year.

4. CLASS BOXES

Emperors – concerned about golf being turned into hockey on the playground at lunchtime and hockey was a more popular game to play, SSOC need to be told
More play equipment – the trim trail is now repaired and additional equipment would be really expensive

More school clubs – dance club will commence in January

Suggestions were: science, ukulele, book, colouring/drawing, running/cross country, bike, origami and Forest School - children enjoyed current sport and newspaper clubs

JRSO would like more bike racks at school and speed ramps outside school to slow down traffic, also slow down signs and a zebra crossing – we will contact Hampshire County Council about this

Action JB

Swallowtails – More choices for school dinners, we will ask about additions **Action JB**
Packed lunches are not always healthy and children have food high in salt and sugar, we also need to think about the packaging for lunch boxes and try to reduce the use of cling film, plastic bags and foil

Admirals – more fruit choices for break – we have no control over what is sent

Admirals class do need a suggestions box
