She also confirmed that new goals have been purchased and that new trees have been planted along the boundary fence on the field.

Mrs Kwiatek explained to the children that their voice as a School Councillor is important and as a result, their requests have been fulfilled.

**4. SUGGESTION BOXES**

Night time wildlife cameras so that we can see which animals are in our grounds

**Mrs Black to ask Mrs Rowland**

Village litter pick – will suggest this to teachers for community week w/b 22<sup>nd</sup> May

**Mrs Kwiatek**

Bird watching club

Cooking club

Bird feeders, unfortunately we do not want to encourage rodents – there are currently some apples in the trees for the birds

KS2 boys and girls changing in different rooms – **Mrs Kwiatek to check this with staff**

Hot chocolate – this could be a class reward

More chromebooks, one for each child! If the current chromebooks were looked after this could be possible, but they are not treated with care and therefore any money available to purchase additional ones is used for replacing damaged chromebooks.

More sport equipment – we have only just invested in additional equipment

**5. PUPIL QUESTIONNAIRE**

Mrs Kwiatek asked the children if they liked the new class recognition boards.

They all agreed that they did, it gives an incentive for your class to work as a team and you don't want to let the class down. Like this system more than the marbles.

The children also like to new above and beyond board in reception and they are pleased that any visitors to school will see the butterflies on the board. All children are happy with the changes to the behaviour policy.

Mrs Kwiatek also asked the children if they enjoyed being at school – their answers were very positive: they liked phonics, Maths, being with their friends, PE, being outside during break times and lunch times
