Lockerley Church of England Primary School

'Believe Together, Achieve Together'

Introduction to Lockerley Primary school

At Lockerley Primary School, we are committed to ensuring pupils receive a high quality education. We believe the values within our school community help our children to become confident, secure, responsible and caring individuals who achieve personal success, develop a commitment to lifelong learning and have the potential to shape and direct their own future.

We have an incredibly hard-

working team of professionals who are committed to their roles and have fantastic relationships with our children.

We have an amazing learning environment both inside and out which the children enjoy learning in.

I am immensely proud of our school and pupils and would love the opportunity of showing them to you.

Katy Kwiatek—Head Teacher.

Our Vision

Lockerley Church of England Primary School is built upon our three core values of Love, Courage and Respect. Our curriculum is driven by the aspiration that all children will flourish into individuals who will; aspire to achieve their best so they can make a contribution to the well being of others, have determination to see things through despite facing challenges and show respect for themselves and the community around them. Ultimately developing a desire to play a part in the making the world a better place. Everything we do is in a relentless ambition for our children to achieve personal success, develop a commitment to lifelong learning and have the potential to shape and direct their own futures.

Life at Lockerley Primary

We pride ourselves on our broad and stimulating curriculum. Sport is played regularly by all children and many represent the school in fixtures against other Hampshire schools. We have held a Gold Sports Mark for the last 2 years. Art and Design & Technology complement the academic life of the school and are a valuable part of all-round development of our children. Throughout the year there is a varied and exciting programme of trips, residential courses and tours allowing the children to experience alternative environments and deepen their understanding of the curriculum. Above all children flourish at Lockerley Primary School and excel in many different areas. All children leave confident and happy to take on the next step in their education.

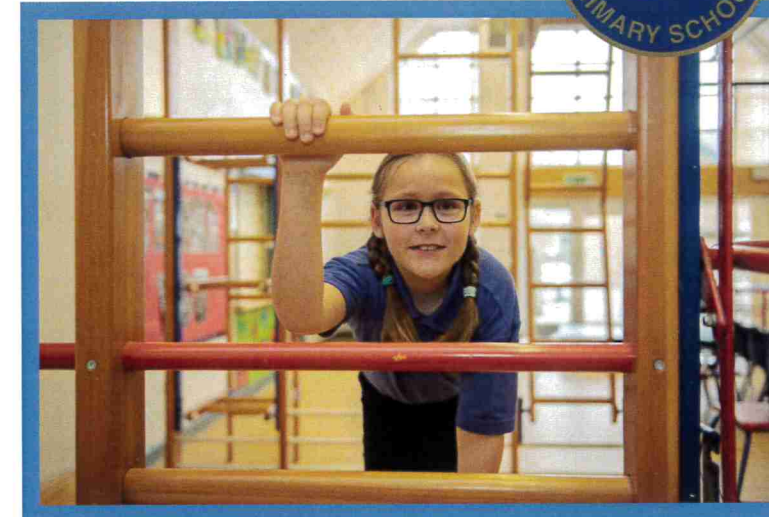

Our Values Love, Courage & Respect

Extra Curricular activities

We are very fortunate that our staff volunteer to run a variety of After School and Lunchtime clubs for children to participate in. Clubs have included: Netball, Football, Cookery, Forest School, Glee, Mindfulness colouring, Rounders and ICT club.

We also have external providers who provide additional clubs of Drama, Science Mania and Multi sports.

Music

In addition to our curriculum music lessons, children in Year 3 & 4 receive Listen2Me lessons delivered by the Hampshire Music Service. This allows them to play a variety of instruments each term, finishing with a concert to parents. This is an ideal opportunity for children to find an instrument they would like to learn.

We also offer peripatetic music lessons weekly and currently offer keyboard, piano and guitar. If you would like your child to be considered for tuition please contact the school office.

A remarkable culture

The special rapport between the teachers and children is built on mutual trust and respect. Children have fun in their lessons and want to do their best for the teachers and themselves. Our school provides children throughout the school with a forum for discussion, inclusion and change. The older pupils act as 'reading buddies' to our younger children and we regularly have opportunities for children from different classes to work and support each other.

Our Governing body is tremendously supportive and work very hard to monitor the strategic direction of our school. They evaluate the progress made towards the school's priorities and targets, as well as getting involved in school activities.

Our very active Friends of Lockerley School are keen to promote friendships and socialising amongst the children, parents and staff as well as to raise money for various projects in school.

We always have been, and will continue to be, a warm and friendly school, built on the premise that family and feeling part of a community matter.

Contact

Words and pictures can only tell you so much. The best way to find out more about Lockerley Primary School is to come and see for yourself.
