Love in our hearts, Courage in our learning
and Respect for each other

Thought for the Week

This week is Christian Aid Week 2026 (May 10–16) when we think of others in need. The focus is on themes of "abounding hope" and community action to fight poverty, particularly supporting communities in Burundi. (Local churches have some links with Burundi) We can pray: Loving God, thank you for the world and all your creation. Help us to have hearts full of love, helping us to care for our neighbours, both near and far. When we see things that are unfair, give us the courage to stand up and make a difference. Help us to put our faith, hope, and love into action. Amen

In Collective Worship, we heard the parable of the sheep and the goats, and the importance to show respect to everyone.

Safeguarding—Keeping Children Safe

If you have any safeguarding concerns please contact school and ask for one of our Designated Safeguarding Leaders:

Mr O'Brien is our Lead DSL, Mrs Clark & Mrs Sexton are the deputy DSLs.

All of our staff have had their refresher training and updates at the beginning of term and we will continue to ensure that they are updated throughout the year. Our newly revised safeguarding and child protection policies can be found on our website at the following link.

WALKto SCHOOL WEEK 2026

Monday 18 May - Friday 22 May

Designed by Kerim from
Four Lanes Federation

'Walk to School Week'
Monday 18 May - Friday 22 May

How can I help?

- Walk with your child and discuss potential hazards such as driveways, junctions, parked cars and bends
- Work out together the safest route even if this involves a slightly longer journey
- Let your child suggest places to cross and discuss their choice
- Practice the green cross code on your way to and from school - reminding them to stop, look, listen and think

I don't have time to walk!

- Park the car some way from the school gates and walk the last part of the journey

- Try to find time to walk with them once during the week
- Your child will qualify for a certificate if either option is taken

What are the advantages of walking?

- The chance to teach important road safety skills
- The chance to learn about the local environment
- A chance for a chat about the day
- Less congestion at the school gate
- A healthier way to start the day
