Lockerley Church of England Primary School

Love in our hearts, Courage in our learning
and Respect for each other

Thought for the Week

This week we have been thinking about people in the New Testament (the second part of the Bible). It is fun to see if there is anyone with your name there - do have a look! Two of the 6 churches working together locally are called "St Peter's". Peter was one of the disciples who followed Jesus. They were all different characters - Peter was known for his Courage. So we can pray: Dear God, thank you for Peter. Help me to be brave when things are hard. When I feel scared or make a mistake, give me the courage to try again and do what is right. Amen

In Collective Worship we read the Bible story of Zaccheus and thought about the importance of showing courage to follow your beliefs.

Let's get moving this
Walktober!

Get moving for our wellbeing, our community and our planet

We are taking part in Walktober this Autumn term! By travelling actively throughout October, we can all get moving for our wellbeing, our community and enjoy the outdoors. We hope as many of our pupils and families as possible can get involved by walking, wheeling, cycling, scooting or using Park and Stride to and from school.

Please ensure that children bring water only in their water bottles to school.

Squash, juice, flavoured water, and fizzy drinks, are not permitted. Thank you for your support in helping us promote healthy hydration throughout the school day.

Simon Says

Child Bereavement Support

As you may know, our linked charity this year is *Simon Says*, a local child bereavement charity. We are on our way to being a Champion school, and will be taking part in an exciting fundraising event on 2nd October!

Keep your eyes peeled for more information next week!

Safeguarding in the Community (Reporting Concerns)

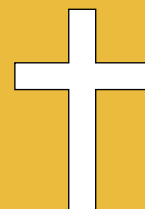

We all have the responsibility of safeguarding our children. If you see anything that ever concerns you in school then you should speak to a member of staff or a DSL. If you are in the community and see anything that makes you uncomfortable, or jeopardises the safety and wellbeing of a child, then you should make a referral or contact Children's Services.

Safeguarding—Keeping Children Safe

If you have any safeguarding concerns please contact school and ask for one of our Designated Safeguarding Leaders:

Mr O'Brien is our Lead DSL, Mrs Clark & Mrs Sexton are the deputy DSLs.

All of our staff have had their refresher training and updates at the beginning of term and we will continue to ensure that they are updated throughout the year. Our newly revised safeguarding and child protection policies can be found on our website.
