Love in our hearts, Courage in our learning and Respect for each other

Thought for the Week

This week we heard the story of Noah and the Great Flood and somebody learning about the Lord's Prayer. We can pray: Our Father in heaven, Your name is wonderful and strong. Thank you for giving us food and everything we need, just like you cared for all the animals on the boat. Keep us safe from harm when storms come, and fill our hearts with the peace of your rainbow promise. Amen

In Collective Worship we read the Bible story of Abraham and Sarah, and thought about how we show love by welcoming others to our homes and to our country.

We all have the responsibility of safeguarding our children. If you see anything that ever concerns you in school then you should speak to a member of staff or a DSL. If you are in the community and see anything that makes you uncomfortable, or jeopardises the safety and wellbeing of a child, then you should make a referral or contact Children's Services.
