

Admirals' Curriculum Information – Autumn 2025

Our topics for this term are: Marvellous Me and Tales and Traditions

During the first half term, we will be thinking about the things that make us special, looking who and what is important in our lives and how we are all welcome in our world. After half term, we will be learning about different stories and traditions celebrated in the UK and around the world and are looking forward to visiting Mottisfont during the Christmas period.

English

Reading

We will continue to build on our phonic knowledge from last year and use these skills to support decoding and blending when reading. We have new guided reading books to match our characters from phonics lessons.

Writing

In writing, we will be using the book *All Are Welcome* to look at what makes us individuals. We will build on our sentence structure from last year. After half term, we will use our knowledge of traditional tales to begin to write our own version of the stories.

Maths

We will start the term by developing our understanding of number. We will be using practical equipment, number lines, 100 squares and some written methods to help them solve problems.

In the second half term we will be learning about composition of number with addition and subtraction. We also will learn about shape in geometry, as well as measures including telling the time.

In other subjects:

Science – Forces with pushes and pulls

R.E. – Special Places

History – How toys have changed over time

Geography – Father Christmas and traditions from around the world.

Music –

Art – Drawing techniques with a focus on self portraits

P.S.H.E. – Who's in charge and celebrating as well as recognising differences

Computing – IT around us and editing skills

P.E. – Fundamental and expressive movements

Outdoor Learning – Safe tree climbing, den building and fire safety

How can I help my child?

- Listen to your child read regularly and ask questions about what they have read. Support reading and writing of new phonic sounds and tricky words.
- Use Times Tables Rock Stars at home.
- Celebrate what makes your child unique and talk about festive traditions and traditional tales
